2019 *SPRING* Southwest Harbor Fair

Saturday JUNE 22nd: 10am – 5pm

Pemetic School Green, Main Street, Southwest Harbor

PLEASE KEEP THIS LETTER as it contains needed details.

A Note to All Participants:

We at IAA have had the privilege of having outdoor fairs on MDI for 44 years. We are a part of this community and our sponsor the YWCA is a big part of this community. Our supporters are friends, business owners and other local crafters. To have our outdoor fairs we must seek approval from these communities.

Each year we must go before town boards of these folks and agree to follow the rules, which we ALL must follow:

- Set up only during designated hours
- Tear Down during Designated Hours
- NO Stakes --- use weights for all canopies
- NO generators
- No parking around the fairs - after unloading, please move your vehicle
- No mass-produced items - all items must be made by you or your partner
- Table clothes are required
- Stay in Assigned space – if you have requests please make us aware before the fair, and please note these cannot always be honored, but we do try our best
- Stay within your Designated space – do not spread out beyond the 10x10 space provided
- No alcohol during the fairs
- If you do not arrive within 30 minutes before the fair, you will lose your space
- If you have not received confirmation that you have been accepted for the fair, you cannot show up and expect a space to be made for you

Some other very important key notes that also need to be addressed are the following:

- If you do not arrive within 30 minutes before the fair, you will lose your space
- If you have not received confirmation that you have been accepted for the fair, you cannot show up and expect a space to be made for you
- If you are selling items wholesale to an area store you cannot sell those items during the craft fair UNLESS you have an agreement with the local shop.

When you sign your application this year you will be agreeing to the above statements. Failure to adhere means not being invited back for future fairs.

Membership – Remember that to qualify as a member your membership application and dues must be received by March 31, 2019. No membership applications will be accepted after that date.

NO MASS PRODUCED ITEMS! – All items in your booth must be hand made by you or your partner.

Parking. There is limited on-street parking. Please find a parking spot away from the Village Green. Many of the side streets are not ticketed or have time constraints (School St, Ledgelawn, Hight St, etc.)

With Rte. 3 construction this year there may be alterations to available parking. We will update attendees close to the fair

SET UP TIME: 8am on Saturday June 22nd. Please move your vehicle away from the green after you unload.

No canopies will be available from IAA. The YWCA may have some to rent. Please contact them at 207-288-5008 for information. You will be responsible for pick-up and return of canopies.

No Cancellation or Rain Date – IAA assumes no responsibility for loss, damage, or injury.

Cleanliness – Please leave the area cleaner than we found it!

The old rules remain: please find a sitter for the little ones, please no pets or tvs, we expect you to remain at the fair until closing (barring bad weather), A positive attitude is greatly appreciated! Enjoy the fair and your neighbors. That energy helps the whole event.
